# DivorceCare helps you recover from the pain of separation and divorce.

DivorceCare Schedule

There aren't many people around you who understand the pain your divorce or separation has caused. To you. Your family. Your friends.

That's the reason for *DivorceCare*. It's a series of support groups and seminars conducted by people who understand what you are experiencing. Most importantly, you'll learn how to deal with the pain of the past and look forward to rebuilding your life.

*DivorceCare* is non-denominational and features biblical teaching for recovering from divorce and separation.

## Support Groups

At *DivorceCare*, you will become part of a small support group of people who are also experiencing separation and divorce. By interacting with these people, you'll learn there are others who understand what you are feeling and will be able to offer you encouragement. You'll also have a chance to talk about the information presented during the seminar. Many participants say these support groups are the most helpful part of the program.
